By Review Representative
PENDER ISLAND, May 11.—The third annual Spring Flower Show, sponsored by the local branch of the Women's Institute, was held in Hope Bay Hall on Thursday, and although the display of blooms was not as large as formerly owing to the backward season, those which were in evidence were of very high quality. The stage of the hall had been transformed into an attractive tea-room, where, under the convenship of Mrs. F. C. Smith, a number of ladies served tea to the patrons during the afternoon.

"IRELAND" WAS LECTURE TOPIC

By Review Representative
SAANICHTON, May 11.—A capacity crowd attended the lantern lecture and social evening held in the Orange Hall under the auspices of Harmony Lodge on Saturday evening. Ireland was very well portrayed in picture and story by Mr. McBratney, a typical Irishman.

During the evening solos were sung by Mrs. Mawhinney and Mr. Dixon and community singing by the audience of old Irish airs was entered into with vim. Sadie Patterson gave a humorous Irish reading. Mr. McNaughton gave Irish selections on the piano and later assisted in providing music for the dance that followed.

A large delegation of Orangemen and women were present from Victoria, headed by County Master Creech.

After the lecture refreshments were served under the direction of Mrs. Alex. Patterson, following which dancing was kept up until midnight.

The ladies state that as a result of the success of the evening a very useful sum of money will be forwarded to the Orphans' Home at New Westminster.

All friends are invited to come at any time and enjoy themselves.

WAR PRISONER IS WELCOMED

By Review Representative
SAANICHTON, May 11.—John A. "Dick" Scott, No. 10 in the old 8th Battalion from Winnipeg, was an interesting visitor on Monday last with Nat Gray and Stuart Stoddart, their first get-together since the second battle of Ypres (1915) when Scott was seriously wounded and taken prisoner by the Germans. Following almost three years of detention in German prison camps Scott escaped to Holland, returning to Canada in 1918. He was successful in having his story published in the Saturday Evening Post and was later employed by the American Government as lecturer during their Liberty Loan drives. He has also spent some time in Hollywood's movie colony and being an excellent reconnoiter he has many excellent stories of contacts with movie stars and of the workings of things behind the scenes in making war pictures.

GALIANO'S MAY QUEEN CROWNED

By Review Representative
GALIANO ISLAND, May 11.—The first May Day festival ever to be held on Galiano Island took place at the home of Mrs. Murcheson on Saturday, May 7th. This very picturesque ceremony was organized by Mrs. Stanley Dawson, superintendent of the Galiano Sunday School, and she was assisted by Mrs. Bambrick and the teachers. Members of the Sunday School took part in the ceremony.

The procession headed by Mr. Donald New's truck gaily decorated with bunting, and red, white and blue streamers and evergreens, left the Galiano wharf carrying the flower-girls and the boys of the May Queen's band. The May Queen, Miss Elizabeth York, was called for and the whole procession proceeded to the home of Mrs. Murcheson.

First on the program was the Maypole dance by the little flower-girls, which was loudly applauded by the audience. Those taking part were Dorothy Page, Betty Bellhouse, Nancy Bellhouse, Dorothy Murcheson, Jenn Murcheson, Ruth Higgs, Myrtle Bambrick and Roger Twiss.

Next came the May Queen's band, with Colin Murcheson as the captain, and the other boys taking part were Angus Murcheson, Gordon Twiss, Roger Twiss, Peter Denroche, Denis Denroche, Gordon Murcheson and Leslie Page. When the band had taken their places at the foot of the May Queen's throne the Queen and her attendants, Miss Irene Rawden and Miss Rosamond Murcheson, as maids of honor, and little Dorothy Page, Nancy Bellhouse and Jenn Thome as the train-bearers, approached the throne upon which the Queen took her place. The flowers were then called by Miss Irene Rawden, each little girl coming forward dressed as a flower and presenting a little bouquet to the Queen. They were Myrtle Bambrick as "May Blossom," Jenn Murcheson as "For-Get-Me-Not," Betty Bellhouse as "Wall-flower," Nancy Bellhouse as "Daffodil," Dorothy Page as "Violet," Dorothy Murcheson as "Daisy," and Ruth Higgs as "Lilac."

Last but not least came the impressive ceremony of the crowning of "Queen Elizabeth" by Mr. W. Miller Higgs. In his speech Mr. Higgs said: "I feel it a great privilege to have been asked by the superintendent at the Sunday School and staff of this picturesque ceremony to crown Galiano's first May Queen, although I feel that this honor should have been accepted and performed by one much longer associated with Galiano than I have been."

"Throughout this great Dominion and across the seas in the Motherland hundreds of May Queens are annually chosen to commemorate this ancient festival connected with Nature Worship, and in many other countries as well. This old-time festival celebrates the conquering power of the brightness and warmth of Summer over the chilly blasts of Winter. It is indeed fitting that we upon this lovely Island, where all Nature is so beautiful, should keep this May Festival, for Nature's Voice is surely to be heard here speaking to us all of the Great Creator behind all Nature."

Mr. Higgs then placed the crown on Miss York's head, in the name of the people of Galiano, as Galiano's First May Queen and ended his speech with the words: "May your life be full of sunshine and happiness." He then called for three rousing cheers for Galiano's May Queen, which were heartily given by all present.

The May Queen at the close of the ceremony presented Mrs. Edward Radford with a beautiful bouquet of (Continued on Page Four)

POTTERY TALK IS APPRECIATED

By Review Representative
PENDER ISLAND, May 11.—Mrs. Foster, of Mayne Island, addressed the local Women's Institute at their meeting last week, her subject being "Pottery-making from Local Clay," and a practical demonstration was included. Some very fine specimens of Swedish pottery were exhibited by Mrs. A. E. Craddock, who also stated that our clay is the same as that used in Sweden for the famous pottery made there. There was a large attendance at the meeting and all enjoyed Mrs. Foster's fascinating demonstration. The president, Mrs. Moore, moved a hearty vote of thanks to the speaker, and a pleasant social time followed. Invitations to hold the June and July meetings at Mrs. Dobree's and Mrs. Spalding's, South Pender, respectively, were heartily accepted.

A WEEK IN FAIRYLAND

Nobody ever entirely loses that childhood illusion of a land which surpasses in loveliness, surprises and happiness anything that the mind is capable of envisaging; the land of make-believe, which everyone hopes may someday become a reality. It is not too much to say that the glorious Rockies, Canada's great holiday territory, renowned throughout the world, are as close to this elusive dreamland as anything that mortal man is likely to discover. Special arrangements for the coming season now bring a week in this modern fairyland well within the reach of the average traveller, with Banff and Lake Louise, on the main line of the Canadian Pacific Railway, as base-points and a wide range of every conceivable type of excursion.

The "six-and-a-half days" tour has already become a slogan among those planning their summer vacation, embracing, as it does, not only the two famous hotels at Banff and Lake Louise, but such well known points of interest and beauty as Canadian Canyon, Moraine Lake and the Imperial Valley of the Ten Peaks; the Lakes in the Clouds; the Plain of the Six Glaciers; the Great Divide; Wapta-Lake Bungalow Camp; Yoho Valley and Bungalow Camp; Takakkaw Falls; the historic Kicking Horse; Mount Stephen; Emerald Lake and the wonders of the great mountainous fields of B.C. These are reached from all points by Canadian Pacific Railway, main line points are linked with the camps in the inner mountains by the Bowser Transport Company, post masters in comfort and convenience for the traveller. In the summer and passes of the highway, footpaths, automobile drives, trail rides and hikes combine with bright entertainment in the evenings to make the holiday something to be remembered for a lifetime.

TOURNAMENT ON MAY 24TH

A meeting of the Sidney Tennis Club was held on Monday evening in Mr. Stacey's showroom. Miss D. Gilman was elected secretary-treasurer.

It was decided the club should not enter the league this year owing to the condition of the courts and just to play friendly matches instead. Arrangements were made and a committee elected to take charge of the tournament to be held on May 24th.

The tournament will be an open American tournament, mixed doubles, with entry fee of 50c each player, and competitors may choose their own partners. Entries must be given in to either Miss Iris Goddard, or Mr. G. A. Cochran by Friday night, May 20th.

The following committee was elected: Mr. Cochran (convener), Miss D. Gilman, Mrs. G. McLean, Miss O. Gilman, Miss I. Goddard, Miss M. Thornley and Messrs. H. Straight, Scars, W. Lind, L. Creemers.

A committee meeting will be held on Saturday, May 21st, in the Sidney Trading Co. store at 8:00 p.m. A vote of thanks was extended to Mr. Stacey for the use of his display room for the meeting.

SOFTBALL NEWS

In a Victoria and District Softball League fixture the Sidney softball team met the Beavers' team in a fast game at the Memorial Park grounds on Friday evening. Seven innings of play found Sidney in the lead with a score of 10-9.

The same evening the North Saanich Service Club team played the Saanich Thistles at the North Saanich School grounds and after the smoke of battle had cleared away it was discovered that the score was 10-7 in favor of the Thistles.

Results of games played Tuesday, May 3rd:

Sidney vs. View Royals, in Victoria—Score 23-3 in favor of View Royals.

North Saanich Service Club vs. Beavers, in Victoria—Score 12-11 in favor of the Service Club.

No doubt all local fans will be out to witness the "big struggle" to take place on Friday evening at the Memorial Park when the two home teams lock horns, Sidney Athletic Club vs. North Saanich Service Club.

"Hostilities" will break out at 6:30 o'clock and Simpson and Ricketts will do the "ump-ing." The new grandstand and "bleachers" await your presence—so be there and see the fun.

In order to give Ganges Athletic Club an opportunity to have delegates present without causing inconvenience or interference with said delegates' working hours it was decided to hold the meeting of delegates to draw up playing schedule for the Island District Softball League on Friday evening, May 13, instead of Thursday, May 12, as formerly announced. The "Cy Peak" ferry is now making a special late trip every Friday night leaving Fulford at 7:00 p.m. and Swartz Bay at 11:30 p.m. This trip of the ferry would be very convenient for Ganges delegates to come over and attend the meeting at Mr. S. Roberts office (right next to the stage depot) and afterwards return home, without loss of working time. It is hoped that Galiano, Pender and Mayno Islands will enter teams. If the last mentioned Islands cannot see their way clear to send delegates to the meeting, any instructions as to what they wish to do may be forwarded to Mr. McIntyre at the Review Office, and their interests will be looked after at the meeting in question. Up to the time of going to press four teams have entered for competition: two from the Ganges Athletic Club and two from the North Saanich Service Club. It is also anticipated that Sidney Athletic Club will enter two teams, and it is hoped other districts in the Islands Electoral District will put forth contending teams for the cup. Come on boys, there's room for you all.

Now, we'll ask you one: "Is your subscription paid up?"

SPLENDID CITIZEN

PASSES ON

(Contributed)

It is 14 days since Walter Cearley of Fulford Harbour was reported lost on the West Coast of Vancouver Island some 40 miles off Kyoquot from his trolling boat "Beaver Point." Since his disappearance from his boat at about 3:30 p.m. Wednesday, April 27th, a search has been made with the hope that he had been picked up by other craft, but it is apparent hope must now be abandoned.

Walter Cearley was an outstanding figure in Fulford Harbour and among all who knew him. He had followed the fishing industry on this coast for the last six or seven years and was generally known in the fishing fleet as one of the best fishermen, often being high boat for the season. Early in January of each year he would leave his home, dodging the winter gales, and nose his way down the West Coast as far as Kyoquot, waiting there for the incoming spring salmon from the Pacific. His boat was a 32-foot troller, well fitted out, and well powered, carrying a storm foresail. It had weathered many storms out off the West Coast, and it is most regrettable that it sank while being towed by the Malaspina into Kyoquot.

During the winter months Mr. Cearley would spend his time repairing his boat and fitting her out for the coming season, also improving his home in Fulford. He always enjoyed a month's shooting during the winter, spending several weeks in the mountains of Campbell River, and was known as a splendid rifle shot.

Mr. Cearley is one more of those zealous and brave sailors who have met death on the West Coast while on duty. His loss will be keenly felt on the B.C. coast as men of his sterling character and progressive mind are of immense value in a community. Great sympathy is felt for his wife and family.
